Constipation and Biliousness.**

The immense number of orders for  
Frootoids, sent by post direct to the Pro-  
prietor, is convincing proof that the  
Public appreciate their splendid curing  
power over the above-named complaints.

Frootoids are elegant in appearance and  
pleasant to take; they are immensely  
more valuable than an ordinary aperient;  
they remove from the blood, tissues, and  
internal organs, waste poisonous matter  
that is clogging them and choking the  
channels that lead to and from them.

The beneficial effects of Frootoids are  
evident by the disappearance of headache,  
a bright, cheery sense of perfect health  
taking the place of sluggish, depressed  
feelings, by the liver acting properly, and  
by the food being properly digested.

Frootoids are the proper aperient medi-  
cine to take when any Congestion or  
Blood Poison is present, or when Conges-  
tion of the Brain or Apoplexy is present  
or threatening. They have been tested,  
and have been proved to afford quick  
relief in such cases when other aperients  
have not done any good at all.

Frootoids act splendidly on the liver;  
a dose taken at bed-time, once a week, is  
highly beneficial.

A constipated habit of body will be  
completely cured if the patient will on  
each occasion, when suffering, take a dose  
of Frootoids, instead of an ordinary  
aperient. The patient thus gradually  
becomes independent of Aperient Medi-  
cines.
