GOUT

**Headache, Indigestion,
 Constipation and Biliousness.**

The immense number of orders for
 Frootoids, sent by post direct to the Pro-
 prietor, is convincing proof that the
 Public appreciate their splendid curing
 power over the above-named complaints.

Frootoids are elegant in appearance and
 pleasant to take; they are immensely
 more valuable than an ordinary aperient;
 they remove from the blood, tissues, and
 internal organs, waste poisonous matter
 that is clogging them and choking the
 channels that lead to and from them.

The beneficial effects of Frootoids are
 evident by the disappearance of headache,
 a bright, cheery sense of perfect health
 taking the place of sluggish, depressed
 feelings, by the liver acting properly, and
 by the food being properly digested.

Frootoids are the proper aperient medi-
 cine to take when any Congestion or
 Blood Poison is present, or when Conges-
 tion of the Brain or Apoplexy is present
 or threatening. They have been tested,
 and have been proved to afford quick
 relief in such cases when other aperients
 have not done any good at all.

Frootoids act splendidly on the liver;
 a dose taken at bed-time, once a week, is
 highly beneficial.

A constipated habit of body will be
 completely cured if the patient will on
 each occasion, when suffering, take a dose
 of Frootoids, instead of an ordinary
 aperient. The patient thus gradually
 becomes independent of Aperient Medi-
 cines.
