A SAVING FIT!

An Irishman once saw an advertisement in a street car reading: "Buy the Johnson stove and save half your coal!" "Begorra," he said, "I'll buy two stoves and save all the coal!"

DIDN'T DRINK IT.

Said a nervous person to an Austin lady, at whose house she was making a call: "Are you not afraid that some of your children will fall into that cistern in your yard?" "Oh, no," was the complacent reply; "anyhow, that's not the cistern we get our drinking water from."

FOR INFANTS, INVALIDS and the AGED.

FOOD
assists nature.

It is used mixed with fresh new milk and forms a delicate and nutritive cream which is enjoyed and assimilated when other foods disagree. It is entirely free from rough and indigestible particles which produce irritation in delicate stomachs.

"The Lancet" describes it as "Mr. Benger's admirable preparation." Mothers and interested persons are requested to write for Booklet "Benger's Food and How to Use it." This contains a "Concise Guide to the Rearing of Infants," and practical information on the care of Invalids, Convalescents, and the Aged. Post free on application to Benger's Food Ltd., Otter Works, Manchester, Eng. Benger's Food is sold in tins by Druggists, etc., everywhere.

Dirty Drinking Glasses!

Good-bye to the old Glass Washing Trough behind the Bar.

An Ingenious Invention.

INDISPENSABLE FOR HOTEL BARS. A NECESSITY FOR PUBLIC HEALTH.

The "L. & D. AUTOMATIC GLASS AND TUMBLER WASHER" completely abolishes the filthy trough practice, which is in existence in many hotels throughout the Dominion. The apparatus is simplicity itself, and, being small in size, conveniently stands on the bar or counter in full view of the public. It has a metallic base and spray arrangement, on which is mounted a round glass chamber, into which the tumbler is pressed mouth downwards. The act of doing so at once raises a **Fountain of Water.**

which washes the inside and outside of the glass in the twinkling of an eye. Every glass is washed in clean, fresh water, and any size glass can be washed.
