SPORTING CONFERENCE.

PROTECTION SOCIETY FORMED.

A large number of representatives of sporting organisations met in the Chamber of Commerce, at the invitation of the Citizens' League, last Thursday evening for the purpose of considering the necessity for forming a mutual sports protection association.

Mr. W. E. Hackett, who presided in the absence, through illness, of the league's president (Mr. W. J. Ralph), stated that the league, in convening the conference, was actuated by a desire to carry out one of its many objects, which was the taking of a rational and intelligent interest in all matters affecting the community. So far as sport was affected, the trend of recent happenings had demonstrated that organised attempts were being made to cause grievous inroads in some of our most popular sports. Racing, boxing, coursing, billiards and others had already received unwelcome attention, and in due course further branches of sport would doubtless be attacked. The committee of the league considered it was now time that sportsmen should assert their right to conduct their own sports and join together to successfully combat the tendency of interference on the part of people who did not interest themselves in or support any branch of sport.

Mr. H. Johnston moved and Mr. W. A. Wilkinson seconded, "That those present are in favour of the formation of a mutual sports protection association, and that a committee be set up to take the necessary preliminary steps for the formation of such association."

The motion, which was supported by the following gentlemen, was carried unanimously:—Messrs. J. Collis (North Shore Yacht Club), J. Parks (Manukau Yacht Club), Greenough (Northern Boxing Association), C. P. Murdoch (Royal New Zealand Yacht Squadron), McKenzie (Pakuranga Hunt Club), Nolan (Lacrosse Association), Hannah and Foley (Avondale Jockey Club), W. G. Jury (Billiard Association), G. W. S. Patterson (Auckland Racing Club), J. T. Inglis (Thames Jockey Club), F. Scott (Victoria Cruising Club), I. Hill (trotting clubs), J. Tapper (North New Zealand Coursing Club), and Messrs. Stichbury, John Fuller and H. L. Wade. A few of the representatives had not power to act, but from the majority of the organisations represented there was a very generous expression of sympathy with the objects of the conference and hearty promises of active support.

The following committee was elected, with power to add:—Messrs. James Tapper, P. Greenough, G. W. S. Patterson, M. J. Shehan, W. J. Jags, C. P. Murdoch, J. Parks, W. A. Wilkinson, F. Scott, C. P. Rogers, W. J. Ralph, McKenzie, J. Rowe, J. T. Inglis, F. Farrell, E. W. Watts, E. D. O'Rourke, J. Fuller, C. R. Bailey and L. Stewart.

The following cablegram has been sent to the Duke of Portland:—"The people of Auckland want Carbine to die in the land of his birth. Will you sell?" The scheme is backed by an enthusiast here, who is prepared to contribute £1000. The idea is to have the celebrated thoroughbred placed on exhibition during his lifetime, and when dead placed in the museum.

The annual meeting of the Wairapa Racing Club was held at Greytown last week, Mr. W. G. Bidwill being in the chair. The report and balance-sheet, as printed, were adopted, and £4000 was allocated to the stewards for stakes. The whole of the officers were re-elected, except the veterinary surgeon, who has left the district.

TO STAND THE SEASON AT ASCOT STUD, MANGERE.

THE IMPORTED SIRE PENURY (10).

By GALLINULE (son of the celebrated ISONOMY) from DOWERLESS, by CUCUMBER (3) from TOCHER, by LORD CLIFDEN (son of NEWMINSTER).

PENURY is a rich brown horse, standing 16 hands high, and was bred by Colonel W. Hall-Walker. He is built on most symmetrical lines, is of exceptional power, possesses rare bone and substance and is a horse of perfect temperament.

PENURY has six strains of Eclipse blood, and boasts a regular "Hall-Walker" pedigree, and, as might be expected from the famous breeder of Minoru, Polar Star and Silve Galleon, it is a perfect study in the "art of nicking." Penury's pedigree is particularly rich in the sire numbers, 3, 8, 11, 12 and 14. Penury is a member of Bruce Low's well-known No. 10 family, which has recently provided St. Leger and Derby winners in Bayardo and Lemberg. Queen Mary, Penury's ancestress, has only two rivals in the English stud book, for with Poca-hontas and Agnes she shares the distinction of being one of a world-renowned trio.

PENURY'S sire, Gallinule, has won a first place with sires of the age. Since 1893, when his stock first began to race, he has sired winners of 494 races, valued at £241,000.

MARBLE ARCH, 1

(IMP.)

Bay horse, by ISINGLASS (3), dam MALL, by LADAS (1), by HAMPTON, by LORD CLIFDEN. Serpentine, the dam of Mall, by St. Serf, by St. Simon.

MARBLE ARCH is a rich bay, 4yrs old, stands 15.3, is very bloodlike, and in colour and character like his sire, Isinglass, who ran twelve times and won eleven nomination night, Spring Meeting, 1911, or 2sovs if struck out on or before nomination night, Autumn Meeting, 1912. All horses remaining in after latter date to pay the subscription of 5sovs on the first acceptance night, Autumn Meeting, 1912.

Mail, dam of Marble Arch, was got by Ladas (winner 2000 Guineas, Derby, Middle Park Plate, Newmarket Stakes, etc), from Serpentine, by the St. Simon horse St. Serf, from Footlight (grand-dam Flair, 1000 Guineas, and half-sister to Illuminata, dam of Ladas, Gas, Chelandy), by Cremorne (Derby, Ascot and Goodwood Cup) from Paraffin (three-quarter sister to Lord Lyons, 2000 Guineas, St. Leger, and to Chevsaunce, dam of Jeanette, Oaks and St. Leger), by Blair Athol (Derby and St. Leger), from Paradigm (half-sister to Rouge Rose, dam of Bend Or (Derby, and sire of Ormonde, 2000 Guineas, Derby and St. Leger).

In the above horse's pedigree you have no less than six Derby, five 2000 Guineas, and eight St. Leger winners, besides winners of the Jockey Club Stakes, 10,000 sovs; Princess of Wales' Stakes, 10,000 sovs, and the principal big races in England.

MARBLE ARCH having the strain of St. Simon blood, should further enhance his value as a sire, especially to nick with Soult mares.

Terms: Twenty Guineas Single Mare. Reduction two or more, property of same owner.

GLUTEN

(IMP.), DARK CHESTNUT, BY THURIO—BRAN BREAD, by SEE SAW. Terms: Ten Guineas, Single mare. Reduction for Two Mares the property of one owner.

GLUTEN is regarded as one of the most promising stallions imported to Australasia, and his yearlings sold in March, 1906 and 1907, at Melbourne, were highly thought of, one of the number realising top price.

GLUTEN was a fine performer on the turf, amongst his wins being the Lingfield Welter Plate (11.0), Birmingham Autumn Handicap, Gatwick Oval Handicap (two miles) and Goodwood Stakes (2½ miles). In India he won the Bangalore Cup (1¼ miles), carrying 9.4.

GLUTEN'S STOCK SHOW GREAT PROMISE, AND ARE RACING WELL IN AUSTRALIA.

Amongst some of his stock are Glucose, who won, besides other races, the Gang Forward Stakes in Adelaide, and Filament, who won the Adelaide Stakes, seven furlongs, 300sovs; and Glue, winner of the Adelaide Cup, one mile and three-quarters, in the splendid time of 3min 2¼sec, besides a number of other winners. His coming two-year-olds look remarkably well, especially from Soult mares, which brings in the double cross of Bucaneer blood.

COACHING STALLION.
