TURF RESULTS.

A SUCCESSFUL CARNIVAL.

The Auckland Trotting Club concluded their three-day summer carnival on Saturday under the most favourable conditions. The weather was beautiful, the attendance good, the course in splendid condition, the track excellent, the sport interesting, and the management most satisfactory. It is particularly pleasing to record the success that has attended the enterprise of A.T.C., because the club have been particularly courageous in the progressive policy they inaugurated with the purchase of their fine property at Alexandra Park. Not only has the sport of trotting received a very marked impetus by the club's enterprise, but it has during the recent meeting made many new friends, who were favourably impressed with light harness racing. During Saturday afternoon the totalisators handled the sum of £10,243 compared with £5363 on the corresponding day last year. This handsome sum together with the investments on the two previous days brought the total return up to £32,894 los, an increase of £13,603, the figure for last season's summer meeting.

The following were the results of the racing:—

TRIAL HANDICAP (Harness) of 50 sovs. One mile and a-half

ASSOCIATION TROT HANDICAP (Optional) of 115sovs. Three miles.

T. Barker's Albert Edward, by Albert Victor, 22sec (W. A. Scott) 2
-E. Stockley's Tableau, scratch (W.

Orange)

1-J. Callaghar's Haldane, 11sec (Brennan)

Also started: 4 Vanclare scratch (Fenton), 5 Pearlie Maid scratch (W. Matthews), 6 Huon Leal 20sec (McMillan).

On the first round Albert Edward had maintained a strong lead and was fifty yards ahead of Huon Leal, while Haldane and Tableau followed at intervals. The second time round Huon Leal had reduced the leader's advantage to a dozen lengths, but could not maintain the pace and on the next round the limit horse had a lead of fully fifty lengths, with Haldane, Tableau, Vanclare and Pearlie Maid following at long intervals. From this out Albert Edward was never troubled and won with the greatest ease from Tableau, who came well at the finish and just beat Haldane for second honours, but could only get to within 25 lengths of the winner. Time, 7min 37 2-5sec.

PRESIDENT'S HANDICAP (Harness)

PRESIDENT'S HANDICAP (Harness) of 115sovs. Two miles.

Also started: 2 Alf. McKinney 14sec
(Duncan). 5 Sylvie 19sec (C. Nicholson).

Bell Gray acted as pacemaker for the first round, and passing the stand next time had a length's advantage of Lady Wilmington, with Alf. McKinney next. Crossing the top Alf. McKinney joined the leader and Gold Bell came up within striking distance. Going out of the straight on the last round Gold Bell took the lead and although he was challenged by Bell Gray he went on and won a good race by five lengths in the excellent time of 4min 39½ sec—a record for Auckland. Lady Wilmington was ten lengths behind Bell Gray, and Alf. McKinney was fourth.

There was a great struggle between Ariom and Vi in the January Handicap at Hastings, when the pair ran locked together throughout, Ariom winning by a nose. It reminded one (writes "The Judge") of that famous battle at Ellerslie between Explosion and Seahorse, in which the black and the chestnut fought out the greatest battle in the history of Auckland's great racecourse. On that memorable occasion the two rivals ran stride for stride the whole way, and the excitement as the pair, grimly contesting every inch of the ground, struggled past the post, was something that will remain in the memory of those present for all time. On that occasion victory went to Seahorse by half a
