

D. & J. McCALLUM'S

Perfection

SCOTCH WHISKY

A wise man is known by the care with which he chooses his friends and his liquor. A trial of D. & J. McCALLUM'S "PERFECTION" will convince you of the wisdom of choosing it as your special beverage. Its extreme mellowness is due to its great age, while its flavour comes from the good Scotch barley that went into the making of it.
