"As far as I am concerned I have now no desire for liquor of any description after using only three boxes of **DRINKO POWDER**—and will recommend them to sufferers whenever possible. Thank you most heartily for the prompt attention you have given my case." This is only one of the hundreds of grateful testimonials we have received from all parts of New Zealand. **DRINKO** can be given secretly if it is not wished that the patient should know of the treatment.
