

NO NEED TO EXTOL THE
HUPMOBILE
 THE CAR WITH A BACKBONE

Justifies Its Reputation. **ASK ANY USER** Fulfils Every Expectation.

Supreme smoothness and riding ease---a deep cushioned luxury and a springing system which takes the bumps from the roughest road---those are the bodily comforts of the --- **HUPMOBILE** --- THE COMFORT CAR.
 There are comforts, too, of purse and pocket. An unusual economy represented by 25 miles' travel to the gallon. And a tyre saving of 18 to 20 per cent. Then there is the comfort of plentiful power and of matchless performances. No wonder they call the "Hupp" The Comfort Car.

IN GOOD COMPANY.
