

BAY OF PLENTY

The Most Progressive and Prosperous District in the whole Dominion.

WE CAN OFFER

1100 Acres

—OF—

Freehold Land

Situated on the Rangitai River, about 12 miles from Te Teko and 25 miles from Whakatane. This property is partly improved and in its present state will carry over 1000 sheep and 300 cattle. It has never been farmed, and is mostly in rough feed. The plough could be put into 600 acres at once. There are nearly 900 acres of rich flats, of which 500 acres are equal to anything in the North Island. Convenient to school. Improvements consist of 3-roomed cottage and about 3 miles fencing. The Rangitai river is a natural boundary on one side. Magnificent trout fishing. It would take about £2000 to make this place carry four sheep to the acre and make it worth £30 per acre, with larger prospective value.

PRICE is £15 per Acre

IT'S JUST THE COAT FOR WINTER.

The coat illustrated is just such a garment as is required for the cold wintry months. It is of heavy Brown Tweed in a well tailored double-breasted style. This coat not only gives the necessary warmth but satisfactory service as well—157/6.

Another smart coat, but of single-breasted style, is of Dark Grey Diagonal Tweed, unlined, yet warm. It has inset sleeves, patch pockets, gauntlet cuffs and fly fronts.—139/6.

This new A.C. model

will be placed on the overseas market at the earliest possible moment. It represents an entirely new idea in light car design and is the first 6-cylinder light car on the British market. We will gladly mail full specification on request, and in the meantime strongly urge intending motorists to defer purchasing any car until they have had an opportunity of inspecting this model.
