BE SURE

that you give to your general health its proper share of attention. It is rather a curious fact that while many people appear to manifest the greatest concern over their property generally, they are guilty of considerable carelessness concerning what is really life's chief asset—their general health. The tendency of the times is to make heavy—sometimes excessive—demands upon the physical powers, with the inevitable result that the system gets run-down. Days like the present are exceedingly trying and the bodily powers are liable to suffer from the strain. You will be well advised if

YOU TAKE

steps to combat the earliest manifestations of indisposition. Ills multiply—ailments develop—by neglect. Such symptoms as sick headache, biliousness, constipation, flatulence, heartburn and loss of energy are indications of an over-worked or unsettled condition of the digestive organs. One of the best medicines to take under such circumstances is Beecham's Pills. In the treatment of disorders of the stomach, liver and bowels there is no other proprietary medicine which has had such a lengthy and successful record as

Make YOUR HAIR beautiful

Nature intended your hair to be beautiful. When the natural oil which protects and beautifies the hair is deficient it must be supplemented. Otherwise the hair will become dull, dry, and brittle; it will split at the ends and prematurely fall out. If you wish to make it beautiful, you must rub into the scalp

which flows quickly to the roots and affords the nourishment essential to the growth of luxuriant hair. Prepared in a golden tint for fair hair. Facts Speak! Over 1100 men "reported sick" at the Oringi Camp (ne "Fluenzol"), as against only 38 at Takapau Camp during a similar period. An officer of the Defence Dept. writes: "There is no doubt that the low rate of sickness (despite the severe weather) at the Takapau Camp was largely due to the quantity of 'Fluenzol' consumed by all ranks."
