 Pianists Triumphant
 World Tour."

If in such terms the newspapers announced your daughter's successes in years to come, you would indeed be a proud parent.

Help that music-loving daughter of yours all you can. Give her the encouragement and assistance she deserves. Select a piano that will assist her inborn talent to do full justice to itself, and her.

Choose it from among the instruments that have built up our 30 years' Proud Record, and you'll always be glad you did so.

Ltd.

The new 15.9 h.p. Arrol-Johnston Car was introduced to the public in November last. The whole output for 1920 was taken up, re-tail, in 3 weeks.

Despite this fact, a certain number of Arrol-Johnston Cars are being reserved for New Zealand. The firm wants to sell cars here and will send of its best.
