Toa Taua, winner of the Spring Juvenile Handicap at the Hawke's Bay Jockey Club's spring meeting, is a half-brother to Maloha, and the previous week acted as runner-up to Fulsome in the Prince of Wales Stakes at Napier Park. The two-year-old son of Mountain Knight—Fairy Gold, who is trained by L. Wilson, promises to earn further distinction during the present season.

Visitors to Trentham next week will appreciate the great improvement that has been made to the birdcage. The old picket fence has been removed and an entirely new arrangement replaces it. By a simple alteration three times as many people will be able to see the horses parading. Increased accommodation has been provided on the lawn, and in view of the greatly increased attendances at Trentham the changed order of things will ensure the maximum of comfort for patrons.

More long-distance gallops were indulged in this season at Randwick in anticipation of the Derby and Metropolitan than has been the case for some years (says a Sydney writer.) As a rule trainers are content to let their horses do most of their gallops in races, and if not, try them out at their best pace over shorter courses than they have to race in. There was a time when trainers held the view that if a horse was engaged in a long-distance event he should be sent the journey two or three times before the race, but in latter years this practice has been dropped.
