**Two
Firsts!**

Here is the new A.C. six-cylinder model—the first six-cylinder light car on the market, and one which when shown at the Motor Show in London gained golden opinions from press and public, and, like the A.C. four-cylinder light car, is first in the field of "quality" light cars. Which ever appeals to you most—the "four" or the "six," the A.C. name is a first-class guarantee of sound value.
