

State Assistance in Tree-planting by Farmers.

WITH a view to encouraging farmers to plant trees for shelter, forest plantations, post timber, firewood, and other purposes on their farms, the Forestry Branch of the Lands and Survey Department is now prepared to supply suitable trees to farmers who wish to improve their farms in the manner referred to. Fruit-trees or trees for planting on town lots are not supplied.

In the North Island applications for trees should be made to the Superintending Nurseryman at Whakarewarewa, and in the South Island to the Superintending Nurseryman at Tapanui, who will supply price-lists and other particulars.

WANTED TO PURCHASE: Three second-hand or new **Weighing Platforms and Scales**, suitable to farm use. For further particulars apply to

**THE DIRECTOR OF THE FIELDS DIVISION,
DEPARTMENT OF AGRICULTURE,
WELLINGTON.**

Are You Ambitious?

Of course you are. Then study *Bookkeeping* or *Accountancy*. The qualified bookkeeper is a man whose services are everywhere in request.

We have just had prepared, at considerable expense, by a Practising Public Accountant of high standing, the most up-to-date Course of Lessons specially designed to meet the requirements of the Bookkeepers and Accountancy Professional Diploma examinations. For the last two years in succession our Students obtained First Place in N.Z. in the Advanced Section Accountants' Examination. Let us hear from you to-day.

We can help you to materially improve your position and prospects.
