

# MOOSE

Linseed Oilcake Meal  
the best and least costly

## CALF FOOD

SKIM MILK calves 2oz. rising gradually to 4oz. daily is the ration.

WHEY FED calves 3oz. increasing to 6oz. daily.

### MOOSE GIVES CALVES THAT EXTRA VITALITY

MOOSE OILCAKE MEAL is the most complete calf food as it is RICH in fat (approximately 7%) which remedies the deficiency of fat in whey and skim.

It also supplies rich, easily digested nourishment in a form that the youngest calf can handle (without excess fibre). The milk minerals are all present intact in whey and skim so that either by-product with "MOOSE" will form a complete ration for the best calves.

MOOSE can be fed by mixing with boiling water in the early stages and later simply fed dry in the bottom of buckets after the by-product.
