**CHOOSE THE OUTDOOR EXERCISES
THAT ARE BEST FOR YOU**

Summer weekends and holidays are ideal times to enjoy healthy
outdoor exercise, and to get yourself in good physical condition for
Autumn and Winter. You should, however, be careful not to *over-*
exercise.

The businessman in the middle years of life who works in an
office all week and over-exerts on weekends may do himself more
harm than good. So choose activities that are suitable for your age.
Better still, check with your doctor and follow his advice as to the
kinds and amount of exercise *you* can enjoy safely this summer.
