CATALOGUE SECTION:

Radio and Electrical Parts — Radio Kits — Record Changers — Amplifiers — Radio Sets — Test Equipment — Valves — Hardware — Washer Boilers — Ironers — Toasters — Jugs — Vacuum Cleaners, etc., etc. — PLUS

BIG WAR SURPLUS SECTION!!

Apart from the Catalogue Section, illustrating hundreds of bargain lines available from The Lamphouse, the Annual contains an up-to-date Station Chart of all the main Radio Stations in the world. Also included is a log of all New Zealand and Australian Stations, giving their frequency and power. There are articles on how a novice without previous experience can construct either a 5-valve Radio, a 3-valve Radio or a Portable Receiver. Just as long as you can use a soldering iron and a screwdriver and can count up to 30 you can build any one of these Radios. Numerous other constructional articles and circuits.

Costs over 2/7 per copy to produce, but costs you only **1/-**

Plus Postage, 3d.

CASE

defeat the Blowfly
with
SHELL DEFIANCE
Blowfly Oil

(Registered pursuant to the Stock Remedies Act, 1934)

To prevent blowfly strike, keep the wool short where soiling is likely, and apply SHELL DEFIANCE BLOWFLY OIL to any injuries caused by shears, lamb marking and other causes. SHELL DEFIANCE BLOWFLY OIL quickly renders the area of application immune to blowfly attack. Keep a tin handy . . . economical in use, lasting in effect.

For free, illustrated booklet, "Defeat the Blowfly," write to your nearest depot.
