Fight Fires the Modern Way
—with a BROWN BROS.'

FIRE FIGHTING UNIT

A small fire can develop and burn out a farmstead. Be prepared: our standard portable fire fighting unit (powered by a Briggs & Stratton engine) has won high praise everywhere for dependability in rural fire-fighting. It's always "at the ready"—and will not let you down when fires threaten.

Full details sent on request.

ENQUIRE NOW!

Can also be used for crop irrigation, stock watering, and property de-watering.

590 COLOMBO ST., CHRISTCHURCH.
