**MODEL 77
BALER**

New Holland, the world's greatest baler has even more advantages in the new streamlined model 77. There's no touching hay by hand . . . it's entirely automatic. Higher capacity. Reduced overall width. . . Full floating pick-up gets all the hay. Micro-slicing adjustment makes knife aligning easier.

Special "roll away" bale chute sends neatly tied bales out of the way of the tractor next round. There's so many advantages in this great Baler—anti-clog Knotters-uniform Bale control. Price approximately £1240.
