

**MAYFIELD
MOTOR SCYTHE**

Quickly changed into an all-purpose garden tractor for ploughing, cultivating, etc.

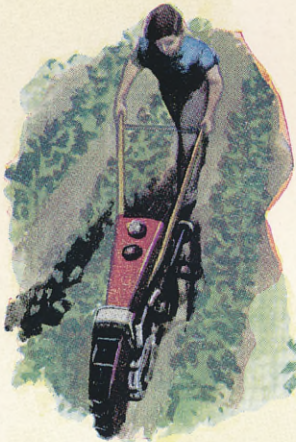

**ATCO
MOTOR MOWERS**
England's Finest Power Mower
14", 17", 20", 28" and 34" widths.

... AND WITH SPRING

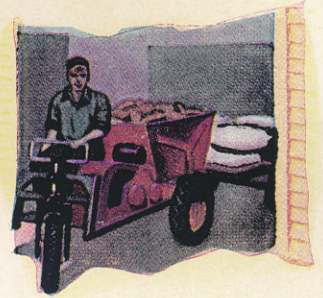

comes a multitude of jobs about the garden —
cultivating, ploughing, hoeing, mowing, cutting
rough growth, carrying — in fact a hundred and
one tasks to keep you going in this busy season.
The machines shown here are a few in our wide
range of horticultural and agricultural machinery.
They will transform this work from drudgery into
recreation. Each one has been selected with an
eye to highest quality combined with economical,
trouble-free performance.

Whatever your particular needs we have the
machine for the job.
We would appreciate your enquiry.

**GRAVELY
GARDEN TRACTOR**

Ideally suited for inter-row cultivation and hillside mowing.

**NASH
ROLLER TRACTOR**
Remarkable "Maid-of-all-Work" for
builders, nurserymen, poultrymen, etc.
Equipped with built-in roller.

**MONROTILLER
ROTARY CULTIVATOR**

With compressor and sprayer unit, sickle mower and attachments for cultivating, etc.

**SHEAROMATIC
HEDGE CUTTER**

The world's most revolutionary hedge cutter — completely driven, cleaned and lubricated by compressed air.
