

*How to buy*

**FIVE ACRES**

**FOR A FIVER!**

Pasture land left to greedy weeds soon loses its carrying capacity. Buying it back economically is the job for Weedone. Take Buttercup. One gallon of Weedone '57' (creeping and celery leaved) or Weedar M.C.P.4 (giant) costing less than £5 to spray, controls five acres of buttercup and allows lush green stock-fattening grasses and clovers to come away. You get similar economy with thistles, ragwort, docks (Weedone PEG) and most other pasture weeds. That's because Weedone varies its 2, 4-D formulations to break down the resistance of practically every weed type. In terms of extra profit gained, Weedone control is a real bargain!

**WEEDONE**

Genuine Weedone Products are recognised by this distinctive sign. Make sure you get genuine Weedone from your Weedone Service Distributor.
