

K-16

ANTI-CORROSIVE PAINT

This revolutionary paint "loves" rusty surfaces, such as rusty roofs, and rusty iron and steel work of all kinds, and gives the appearance of new galvanising. One coat guaranteed good for at least five years.

K-16 Anti-Corrosive Paint is equally suited to tradesmen or amateur, to inland or seaside conditions; to home-owner or to heavy industry. Available in quarts, gallons, and 4-gallon tins. Stockists everywhere.
