Revolutionary!! GARDENMASTER

the *Landmaster* for
HOME gardeners!

Never before has so small a machine offered such big advantages—heavy soil turning, deep or light digging, row cultivating, weeding—all so effortless . . . Quick too! Try it! Buy it! Gardenmaster by Landmaster!

. . . and for larger gardens, the familiar

Landmaster

5 models up to 10 h.p. Life's a lot easier with a Landmaster!
