

MARATHON GUMBOOTS

by **SKELLERUP**

The Most Durable and Hardest Wearing Gumboots You can Buy!!

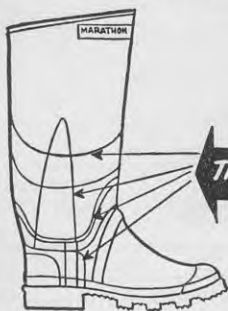

SIR EDMUND HILLARY

**Recommended and used by
SIR EDMUND HILLARY who says:**

"Marathon Gumboots were standard issue to members of the recent New Zealand Trans-Antarctic Expedition. They were given a thorough testing under all types of rigorous conditions and I have no hesitation in paying tribute to their excellent quality, design and durability."

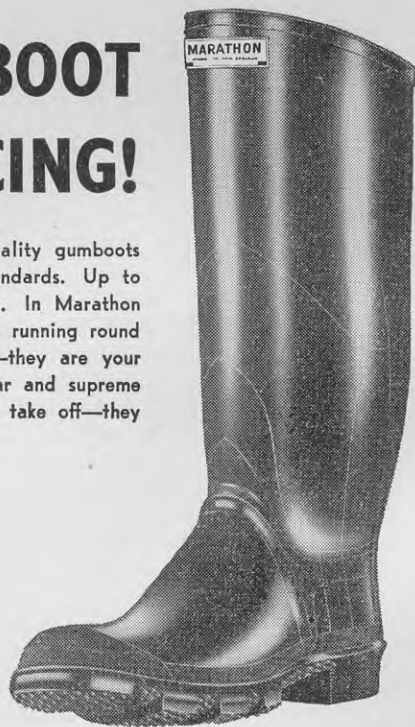

THE ONLY N.Z. MADE GUMBOOT WITH THE EXTRA REINFORCING!

Made on a last specially designed for New Zealand feet, these superior quality gumboots are built—layer by layer by 38 separate processes—to the most exacting standards. Up to six plies of extra reinforcing are built into every boot for greater protection. In Marathon Gumboots these extra reinforcements can be recognised by the raised outlines running round the boot. These are *genuine* reinforcements and NOT simply thicker rubber—they are your guarantee of extra protection. Built for years of hard wear and supreme comfort—Marathon Gumboots are snug fitting yet easy to take off—they will serve you well.

THESE LINES MEAN SOMETHING

On a Marathon Gumboot these lines mean something more than thicker rubber—they mean EXTRA reinforcement built in to strengthen the boot where required.
