

Of Special Importance to:—

FARMERS...

STOCK OWNERS...

VETERINARY SURGEONS...

The value of stock today is such that prompt service is not only desirable but a . . . "must". The answer to this is . . . the I.E.I. two-way radio-telephone. Veterinary surgeons and organisations particularly catered for. Under certain conditions farmers, stock owners, stock carriers can also obtain P. & T. licences for this equipment. Advice and quotations free from—

Johnson's 12½ gauge Super Dreadnought is economical for high country. It yields 1458 yards to the cwt. as compared with 546 yards for 8 gauge and has equivalent breaking strength.

OVER THE WIRE... IT'S JOHNSONS'

Yes, farmers all over the world know that Johnsons' English Wire stands up to hard work and weather alike. Drawn with the skill of 150 years' experience it is protected by patented Hot Dip Galvanising which ensures long life in New Zealand climatic conditions. Johnsons' English Wire is particularly resistant to the corrosive action of salt-laden air.
