JOACHIM FREDERICK HAGEN, for larceny from his partner, Samuel D. McCullagh: Offender, when in South Australia, had a particular friend named Hayse (pronounced Haysey), who selected land about two years ago in Queensland, locality not known, but it may be found through the Land Office, Brisbane. Hagen may go to him. Considerable

doubt now exists as to whether Hagen is a Jew or not. He is well known to the members of a firm of wholesale drapers, consisting of three partners, in Adelaide. Amended description of offender: About forty-seven years of age, 5 feet 8 or 9 inches high, very slender, withered features, careworn look but pleasant-looking when he laughs, erect military gait, very nice white teeth, stiff neck, which causes him to have to turn his body round when looking to either side; a native of Hagenow, in the Province of Mecklenburgh-Schwerin.—
