About the 20th November last she obtained, by advertisement, from a Mrs. Dykins, St. Clair, near Dunedin, twin-children, named Edith and Ethel Winchester, born on the 5th October last, saying that she wanted them for a Mrs. McGregor, of Wellington or Auckland. She received £14 for the maintenance of the children. About two months after she brought the child Edith back to Mrs. Dykins in a delicate state of health, and the child died in a few days after. She said she left the child Ethel with Mrs. McGregor. On the 19th February last, when questioned by the Dunedin Police, she refused to give them Mrs. McGregor's address, but promised to produce the child in ten days, but instead of doing so absconded. There is no record of the death of the child Ethel Winchester in the office of the Registrar of Deaths, Dunedin. It is requested that inquiries be made for the child, and that the records at the offices of the Registrars of Deaths be searched. It is absolutely necessary to obtain the woman Counsel's statement as to the manner in which she has disposed of the child.

Memorandum for Resident Magistrates.

PARAGRAPH 2 of Circular No. 7 of the 12th April last is cancelled from the date hereof, and the following paragraph substituted in lieu thereof:—

2. Vouchers for bailiffs' mileages for sums not exceeding 10s. will be sent to this office, in duplicate, in the same manner as before the issue of the Treasury notice of the 12th March. After having been checked they will be forwarded by this office to the respective post offices for payment. To prevent multiplication of vouchers, the instruction contained in Circular No. 19 of the 1st October, 1887, as to rendering claims for mileages once a month must be strictly adhered to.

I take this opportunity of pointing out that in criminal cases, where processes are served by constables, such constables are entitled only to a refund of the actual and necessary expenses incurred by them, as laid down in the Police

Regulations. The mileage should be converted into stamps and affixed to the proper documents, and claims for expenses sent to this office. This direction is issued because it is found that in some districts a practice prevails of collecting the mileage and paying it over to the constable serving the process.

By order.
