6. Notwithstanding anything to the contrary in the Act or in Regulations 4 and 5 hereof—

(4) Notwithstanding the provisions of the Act, while these regulations continue in force the annual fee payable in respect of an annual license for a private motor-car, within the meaning of the Motor-vehicles Insurance (Third-party Risks) Regulations 1939,* shall be £1 15s.

(5) Any Deputy-Registrar may before issuing a license to use a motor-vehicle require the owner thereof to supply information in writing as to any tires or tubes owned by him or in his possession or control which are suitable for use or capable of being used on the wheels of any motor-vehicle. 9. (1) Licenses to use motor-vehicles in the licensing year commencing on the 1st day of July, 1942, or in any subsequent year shall show in the appropriate place the following distinguishing marks:—

(3) For the purpose of this regulation and of Regulation 11 hereof the expression "approved waterproof holder" means a waterproof holder supplied by a Deputy-Registrar or a waterproof holder of a type approved by the Registrar for the purpose.

(8) There shall be kept by the Registrar a register of all persons to whom registration-plates are issued under section 18 of the Act and these regulations and who have obtained licenses to use the registration-plates.

12. 13. Notice of the change of ownership of any motor-vehicle, required by subsection (1) of section 17 of the Act to be given to the Deputy-Registrar at whose office the motor-vehicle is registered, shall be in a form to be provided by the Registrar for the purpose, and the endorsement required by subsection (2) of that section shall be in such form as the Registrar may direct.

14. (1) If any registration-plate or license or certificate of registration issued and in force in respect of a motor-vehicle is lost or mutilated or becomes illegible, the owner of the motor-vehicle shall forthwith make application to the appropriate Deputy-Registrar for a substitute for the registration-plate or license or a duplicate of the certificate of registration. The application shall be made in a form to be provided by the Registrar for the purpose.

(2) If the application relates to one registration-plate for a vehicle other than a trailer, the other registration-plate shall be surrendered to the Deputy-Registrar, and, subject to the provisions of this regulation, a set of two registration-plates shall be issued for the vehicle.

(3) On receipt of the application and on being satisfied as to the facts, the Deputy-Registrar shall, on payment of the fee hereinafter prescribed, issue substitute registration-plates or a substitute license or a duplicate of the certificate, as the case may require :

Provided that no substitute registration-plates or license shall be issued under this regulation until the owner has surrendered to the Deputy-Registrar the plates or license previously issued for the vehicle and in force for the current year, or proved to the satisfaction of the Deputy-Registrar that such plates or license have been lost or destroyed.

15. In any case where during the currency of a license issued in respect of a motor-vehicle the vehicle is used for a purpose different from that indicated by the distinguishing mark on the license, the owner of the vehicle shall forthwith make application for and procure an appropriate fresh license. (2) Every person who affixes to any motor-vehicle any label or other thing which is not authorized by the Act or these regulations and which is likely to be mistaken for a license, or who affixes to any motor-vehicle any license, not being the license for that vehicle, which is likely to be mistaken for that license, commits an offence and is liable for each such offence to a fine of £10.

(3) Every person who knowingly supplies false or misleading information in or concerning any application made in terms of these regulations or omits or refuses to supply any information required thereunder or who fails to comply with any other requirement of these regulations commits an offence and is liable to a fine of £20.

“Owner”, in relation to a motor-vehicle, means the owner as defined in section 2 of the Motor-vehicles Act, 1924, as amended by section 3 of the Transport Law Amendment Act, 1939.

DIRECTIONS AS TO USE OF MOTOR-VEHICLES.

3. (1) If at any time it appears to the Minister to be necessary or expedient in the public interest so to do, he may, by notice in writing given in accordance with these regulations, direct—

(a) That any motor-vehicle or motor-vehicles referred to in the notice shall be used for such purpose or for such purposes as may be specified in the notice; or

(b) That any motor-vehicle or motor-vehicles referred to in the notice shall not after a specified date be used for any specified purpose, or that any motor-vehicle or motor-vehicles referred to in the notice shall after a specified date be used for any specified purpose only in such circumstances and in accordance with such conditions as the Minister may prescribe.

(2) Any notice given under the last preceding subclause may be given in respect of a specified motor-vehicle or of specified motor-vehicles, or may be given generally in respect of any motor-vehicle or motor-vehicles for the time being in the possession or under the control of the person to whom the notice is given, or may be given in respect of any such motor-vehicles of a specified kind or class.

(3) Any notice under this regulation may be given to the owner of the motor-vehicle or motor-vehicles to which the notice relates, or may be given to any person who appears to the Minister to have any authority (whether absolute or limited) to use such motor-vehicle or motor-vehicles.

(4) Any notice given for the purposes of this regulation may be served personally on the owner or other person to whom it is given, or may be sent to him by registered letter addressed to him at his usual or last known place of residence or business, or may be given by notice published in a newspaper circulating in the district.

(5) Any notice sent by registered letter as aforesaid shall be deemed to have been given on the day on which, in the ordinary course of post, it would be delivered to the person to whom it is addressed.

4. (1) Any notice under the last preceding regulation requiring the use of any motor-vehicle or of any motor-vehicles for any purpose may relate to the performance of a specified work, or may relate to the carrying-on of a specified service.

(2) Any such notice may specify the conditions subject to which the work must be done or the service must be carried on, and in particular, but not in limitation of the general authority herein conferred, may contain directions as to the time when any such work must be done, or the period within which any such service must be carried on, or as to the number or class of workers to be employed for the purposes of such work or service.

MODIFICATION OF EXISTING ACTS AND REGULATIONS IN THEIR APPLICATION TO THE USE OF MOTOR-VEHICLES UNDER THESE REGULATIONS.

5. (1) Except as provided in the next succeeding subclause the provisions of the Transport Licensing Act, 1931, or of the Motor-vehicles Act, 1924, or of section 166 of the Public Works Act, 1928, or of any regulations made under or for the purposes of any of the said enactments, shall apply in respect of the use of any motor-vehicle in accordance with these regulations only to such extent as may be specified by the Minister in any notice given by him with respect to the use of such motor-vehicle.

(2) Nothing in these regulations or in any notice given thereunder shall exempt the driver of any motor-vehicle from the operation of section 27, 28, 29, 30, or 32 of the Motor-vehicles Act, 1924, or section 5 of the Motor-vehicles Amendment Act, 1936.

MINISTER'S DIRECTIONS UNDER THESE REGULATIONS TO PREVAIL OVER CONTRACTUAL OBLIGATIONS.

7. (1) No person shall be excused from complying with any directions given by the Minister or by any other person under or for the purposes of these regulations on the ground that compliance therewith would prevent or interfere with his obligations or the obligations of any other person under any contract, whether such contract has, in any case, been entered into before or after the commencement of these regulations.

(2) In any proceedings for failure to comply with any such contract it shall be a good defence if the defendant proves that the failure complained of was directly or indirectly attributable to his compliance or to the compliance of some other person with any direction given by the Minister or by any other person as aforesaid under these regulations.

INFORMATION TO BE SUPPLIED.

8. The Minister may from time to time require any person to furnish, in a form to be approved by or acceptable to the Minister, any information or particulars that may be required by him for the purposes of these regulations.
