SPECIAL NOTICES.

AUCKLAND.—At about 10.40 p.m. on the 15th October last, Corporal Norman Edward Klopf, of the armed forces of the United States of America, was found injured in Cook Street. He was removed to hospital where he died on the 24th October last, and a post-mortem examination revealed that he died from a fractured skull. At the time he received the injuries he is believed to have been in a drunken brawl with a **Man** (name unknown), age about forty-five, height 5 ft. 5 in., Maori, medium build, copper complexion, black hair, brown eyes, flat nose; probably wearing working clothes. Any information regarding the offence is to be communicated to the Superintendent of Police, Auckland.

Body of Child found.

The umbilical cord had been torn and was not tied. No placenta was present. A post-mortem examination revealed that it was a full-term child, seven pounds, and had breathed. Death was due to asphyxia, probably through no proper attention at birth.
