HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

IN pursuance of the powers and authorities vested in him by "The Fisheries Conservation Act, 1884," and its amendments, His Excellency the Governor of the Colony of New Zealand, acting by and with the advice and consent of the Executive Council of the said colony, doth hereby make the following regulations for that part of the South Island comprised within the Counties of Waimea, Collingwood, and Takaka, and the boroughs and town districts situated therein (hereinafter called "the Nelson Acclimatisation District"), and doth hereby declare that these regulations shall, as from the date of the publication thereof in the *New Zealand Gazette*, supersede all regulations for the said district at variance therewith, and such regulations are hereby revoked.

REGULATIONS.

1. Licenses to fish for trout and perch in all the waters of the Nelson Acclimatisation District may be issued by the secretary of the Nelson Acclimatisation Society (hereinafter termed "the said society"), or any one authorised by such secretary in that behalf: Provided that the secretary may refuse to issue a license to any person who within the previous two years has been convicted of any breach of the provisions of any Act relating to fishing for trout or perch, or of any regulation made thereunder.

2. The fee to be charged for a license as aforesaid to each male person over the age of sixteen years shall be one pound, and every such license shall be in the form set forth in the Schedule hereto. Licenses may also be issued to boys attending school or under the age of sixteen, or to women, at a reduced fee of five shillings for each license so issued. No license shall confer any right of entry upon the land of any person without his consent: Provided that it shall be lawful for the said secretary, or his deputy, in any case where application is made for a license on or after the first day of January in any year, to issue a license to any man for the sum of twelve shillings and sixpence, but so that such license shall only extend from the time of granting the same until the termination of the then trout-fishing season.

3. The secretary of the said society may issue day licenses to *bonâ fide* travellers and strangers not resident within the district aforesaid on payment of a fee of two shillings and sixpence for each day's fishing.

4. Any holder of a license may fish for trout and perch in the above-named waters from the first day of October in any year to the thirtieth day of April in the following year, both inclusive; but every such license shall be for one season only, and shall expire on the thirtieth day of April following the date on which it was issued.

5. Trout and perch shall not be fished for, taken, or killed otherwise than with one rod and line, but a landing-net or gaff may be used to secure any trout or perch caught with such rod and line; and no lures or baits other than natural or artificial flies, insects, worms, or fish shall be used with such rod and line.

6. No license shall authorize any person other than the person named therein to fish.

7. No person shall have in his possession any of the *Salmonidae* or trout between the first day of May and the thirtieth day of September in any year, which period is hereby appointed a close season for all such fish: Provided always that this regulation shall not apply to fish caught by the officers of the said society for purposes of acclimatisation.
