SPECIAL INQUIRY.

HAMILTON.—On the 28th July last, at Frankton Junction Railway-station, the dome of a gold watch (supposed 18 ct.) was found. It bears the number "993" and the following inscription: "Presented to D. D. Mackie, Esq., Junior, by Teo Teow Peng, Esq., as a token of appreciation for his services as a Supt. Engineer, 26/4/16." This portion has apparently been broken off and discarded in order to render difficult of identification the watch which has probably been stolen. If any information regarding it is obtained a communication is to be sent to the Inspector of Police, Hamilton.
