1. A departmental allowance in respect of a motor-car covers all ordinary police duty within the sub-district concerned, including the conveyance of prisoners within such sub-district.

2. With the approval of the Officer in Charge of the district a member of the Force, whether he is in receipt of a departmental motor allowance or not, may convey any other member of the Force on duty in his motor-vehicle and be paid a mileage allowance on the following scale:—

Motor-vehicles of R.A.C. rating of 7/9 h.p. or less conveying up to two passengers, excluding the driver, 4d. per mile; and for all passengers in excess of two, an additional 1½d. per mile.

Motor-vehicles of higher R.A.C. rating conveying up to two passengers, excluding the driver, 6d. per mile; and for all passengers in excess of two, an additional 2d. per mile, provided the cost is less than for a hired vehicle.

3. The conveyance of prisoners from within a sub-district to a place beyond it shall be by police van or other Government transport, or by public coach, mail-service vehicle, or steamer, when such is conveniently available. When not conveniently available, or when for special departmental reasons such Government or other transport is undesirable, a motor-vehicle the private property of a member of the Force may be used on payment of mileage allowance as above.

Members of the Force travelling on departmental business shall travel by train when such is conveniently available, but when other means of public transport has to be used preference is to be given to mail contractors' vehicles, providing their time-table is suitable and the fare charged does not exceed that of any competitor.

7. Members of the Force who are not in receipt of a departmental motor allowance and who, with the approval of the Officer in Charge of the district, use their own motor-cycles on duty will be paid at the rate of 2d. per mile travelled, with an additional 3d. per mile when a passenger on official business is conveyed by the motor-cycle.
