This Company has prior claims upon the patronage of New Zealand Colonists, as it was the first Insurance Company established in New Zealand; and being a Local Institution, the whole of its funds are retained and invested in the Colony. The public, therefore, derive a positive benefit by supporting this Company in preference to Foreign Institutions.

THE GREATEST
WONDER OF MODERN TIMES!

HOLLOWAY'S OINTMENT

Is the most effectual remedy for old sores, wounds, ulcers, rheumatism, and all skin diseases; in fact, when used according to the printed directions, it never fails to cure alike deep and superficial ailments.

Long experience has proved these famous remedies to be most effectual in curing either the dangerous maladies or the slighter complaints which are more particularly incidental to the life of a miner, or to those living in the bush.

HOLLOWAY'S PILLS

Occasional doses of these Pills will guard the system against those evils which so often beset the human race, viz. —coughs, colds, and all disorders of the liver and stomach—the frequent forerunners of fever, dysentery, diarrhoea, and cholera.

These Medicines may be obtained from all respectable Druggists and Storekeepers throughout the civilised world, with directions for use in almost every language.

They are prepared only by the Proprietor, Thomas Holloway, 533, Oxford street, London.
