[There has been forwarded to us for inspection, the result of the analysis by Professor Black of a variety of Beverages procured from the establishment of Messrs. Thomson and Co., Aerated Water and Cordial Manufacturers, Stafford-street, by Mr. Lumb, Inspector under the Adulteration of Food Act, 1866. Of the Medicinal and other Beverages analysed, amongst which were samples of Quinine, Champagne, Soda Water, and Lemonade, Cordials, and Bitters, Professor Black speaks very highly. "There are none, he says, that contain anything likely to be injurious to health. All are of excellent quality."—Otago Guardian, December 4, 1874.]

**HOLLOWAY'S PILLS**

THE GREATEST  
WONDER OF MODERN TIMES

Long experience has proved these famous remedies to be most effectual in curing either the dangerous maladies or the slighter complaints which are more particularly incidental to the life of a miner, or to those living in the bush.

Occasional doses of these Pills will guard the system against those evils which so often beset the human race, viz.:—coughs, colds, and all disorders of the liver and stomach—the frequent forerunners of fever, dysentery, diarrhoea, and cholera.

**HOLLOWAY'S OINTMENT.**

Is the most effectual remedy for old sores, wounds, ulcers, rheumatism, and all skin diseases; in fact, when used according to the printed directions, it never fails to cure alike deep and superficial ailments.

These Medicines may be obtained from respectable Druggists and Storekeepers throughout the civilised world, with directions for use in almost every language.

They are prepared only by the Proprietor **Thomas Holloway, 533 Oxford street London.**
