Honorary and Life Honorary Members are provided for, and may, on the payment of a Small weekly contribution, secure medical attendance.

Our fellow Catholics have no longer the excuse, heretofore too well founded, that there is no Catholic Society for them to join, offer-ing advantages equal to those afforded by other benefit societies, as the Hibernian Australasian Catholic Benefit Society is in a position to offer benefits not to be surpassed by any other Society in New Zealand; it is therefore confidently anticipated that in a very short time many thousands will be enrolled in its ranks throughout this Colony, forming an institution to which it will be an honor to belong, and of which the members may feel justly proud.

As set forth in the introduction to the Bules, one of the objects of the Society is for the members to "Cherish the memory of Ireland," rejoicing in the prosperity and condoling in the sufferings of their native land, and to bind them yet closer in social chains of fraternity and friendship in this distant land. Also, to endeavour to instil into the minds of the Celtic-New-Zealand race a veneration for the land of their forefathers, in order that they may imitate, if not excel, the faith and with device a patient, and to extend the hand of followand virtues of that devoted nation ; and to extend the hand of fellowship to their co-religionists of every nationality, participating with them in a brotherly spirit every benefit, social and pecuniary, the Society affords.
