Of the medicinal and other Beverages analysed, amongst which were samples of Quinine, Champagne, Soda Water, and Lemonde, Cordials, and Bitters, Professor Black speaks very highly. HOLLOWAY'S PILLS

THE GREATEST

WONDER OF MODERN TIMES.

Long experience has proved these famous remedies to be most effectual in curing either the dangerous maladies or the slighter complaints which are more particularly incidental to the life of a miner, or to those living in the bush.

Occasional doses of these PILLS will guard the system against those evils which so often beset the human race, viz. :—coughs, colds, and all disorders of the liver and stomach—the frequent forerunners of fever, dysentery, diarrhoea, and cholera.

HOLLOWAY'S OINTMENT

Is the most effectual remedy for old sores, wounds, ulcers, rheumatism, and all skin disease: in fact, when used according to the printed directions, it never fails to cure alike deep and superficial ailments.

These Medicines may be obtained from all respectable Druggists and Storkeepers throughout the civilised world, with directions for use in almost every language.

They are prepared only by the Proprietor Thomas Holloway, 533 Oxford-street, London.
