We would call special attention to our Door, Sash, Turnery, and Moulding Department, as recent improvements have enabled us to turn out large quantities of the best finish and design.

As we import large quantities of our Colonial timber in bulk we are prepared, with our large sawing appliances, to cut on the shortest notice to any size.

Our stock, which comprises all the requirements of the Building Trade—including Builders' Ironmongery of every description—is at present too large to be noted in an advertisement.

**PROFESSOR STANICH,**  
 THE ONLY PALESTINIAN AURIST  
 IN THE WORLD,

Is now visiting Dunedin, and may be Consulted at MURPHY'S CITY HOTEL, PRINCES-STREET

Professor STANICH has made the various Diseases of the Ear and their cure the study of his life, having practised since his youth in Egypt and Palestine. He can assert, without fear of contradiction, that hundreds of cases, deemed incurable, having yielded to his treatment, and that, in fact,

NONE NEED DESPAIR.

TO THE PUBLIC.

I have great pleasure in adding my testimony to that of so many others relative to the skill of PROFESSOR STANICH as a PALESTINIAN AURIST, and it is with thankfulness that I bear witness to the manner in which he has cured me of the painful complaint of deafness, now of 14 years standing. Before consulting him and going under his treatment, I had been with one doctor who, for my complaint, was regarded as the most skilful in New Zealand, but he could give me no relief. I have now been but three days under the Professor's treatment, and until I came to him I was hopeless of a cure, and had given up all efforts; but, thanks to him, my distressing malady is now removed, for which I am most grateful.

JOHN NICHOL, Butcher.

Outram, February 11th, 1878.

The Professor will be most happy to treat anyone suffering from the above malady, on production of a certificate from their clergyman or any doctor that they are unable to pay,

FREE OF CHARGE.
