To PROFESSOR STANICH,

DEAR SIR,—I have great pleasure in testifying to the great relief I have experienced at your hands, in the short space of two hours, of a chronic case of deafness extending for a period of over ten years.

I am, Sir,

(Testimonial from Dr. Macaffer.)

DEAR SIR,—Having requested Mr. Kelly to visit you, and have your advice regarding a deafness with which he has been afflicted for four years, I have much pleasure in testifying to the success of your treatment.

I am, yours truly,

JOHN MACAFFER, M.B., C.R.  
Gore, Mataura, April 29, 1878.

To PROFESSOR STANICH.

DEAR SIR,—Mr. P. Shepherd, to whom I gave a note of introduction, has asked me to say that his hearing has been much improved through your treatment. On questioning him he assured me that he now hears more distinctly.

To PROFESSOR STANICH.

SIR,—I have much pleasure in testifying to your successful treatment of the girl, M. S., whom I recommended to you some weeks ago, suffering from severe deafness. She is now thoroughly cured, thanks to your skill and tells, with joy beaming in her countenance, how she heard the town clock striking yesterday for the first time when nearly half a mile distant from it.

I am, &c.,

P. O'LEARY,  
Catholic Clergyman.

Dunedin, April 11, 1878.

To PROFESSOR STANICH.

DEAR SIR,—I am happy to say that the patients you have, at my request, charitably treated for the loss of their sense of hearing, have in every case recovered.

I therefore return you my best thanks on my own and their part for your generous help to suffering humanity.

Very faithfully yours,

W. J. LARKIN,  
Catholic Clergyman.

Dunedin, March 22, 1878.

To the Editor of the *Herald*.

To PROFESSOR STANICH.—SIR.—Suffering from my earliest recollection from deafness—sometimes painfully so—about four weeks since I consulted Professor STANICH. The affliction being chronic and so long standing, I had little hope of recovery. To my astonishment I found an improvement in my hearing in three or four days, which improvement has continued until to-day. I have pleasure in testifying I find little defect in the social circle or public hall. I may add I never knew what it was to hear a sermon through until the past fortnight. My surprise is increased from the fact of the Professor's treatment is so simple and painless. With gratitude I hand you this tribute to the Professor's ability as an aurist.

I am, &c.,

T. GLUYAS PASCOE,  
Clothing Manufacturer.

**HOLLOWAY'S PILLS**

THE GREATEST

WONDER OF MODERN TIMES.

Long experience has proved these famous remedies to be most effectual in curing either the dangerous maladies or the slighter complaints which are more particularly incidental to the life of a miner, or to those living in the bush.

Occasional doses of these Pills will guard the system against those evils which so often beset the human race, viz.:—coughs, colds, and all disorders of the liver and stomach—the frequent forerunners of fever, dysentery, diarrhoea, and cholera.

**HOLLOWAY'S OINTMENT.**

Is the most effectual remedy for old sores, wounds, ulcers, rheumatism, and all skin disease; in fact, when used according to the printed directions, it never fails to cure alike deep and superficial ailments.

These Medicines may be obtained from all respectable Druggists and Storekeepers throughout the civilised world, with directions for use in almost every language.

They are prepared only by the Proprietor Thomas Holloway, 533 Oxford-street, London.
