T E S T I M O N I A L S
TO
PROFESSOR GUSSCOTT.

Dunedin, June 17th, 1878.

To PROFESSOR GUSSCOTT—Sir—I can with confidence recommend your treatment for worms, as after my children had taken your worm exterminator I can assure you I was perfectly astonished to find in the course of two days the number of worms they had passed. You can make any use of this small acknowledgement you wish.

I remain yours truly,
THOS. H. DAVIDSON,

Moray place.

To PROFESSOR GUSSCOTT—Sir—I have much pleasure in testifying to the efficacy of your King of Pain. I have been troubled for a long time with a bad cough, wheezing, and tightness of the region of the chest. I am happy to say that by the use of your King of Pain (three bottles) I am now perfectly cured of the sufferings I have so long endured.

Yours most grateful,
J. HERRIES.

Princes street.

To PROFESSOR GUSSCOTT—Sir—I have been troubled with rheumatism and sciatica in the hip joints for the past five years, and racked with pain day and night, and deprived of sleep, and not able to attend to my business, with excruciating pains. I was advised to try your herbal treatment. I am 43 years of age, and I am happy to say that I am free from pain, and have perfect use of my limbs, and can attend to my business as well as I could ten years ago. Hoping this statement of mine may be beneficial to others who have been affected in a similar way.

I remain,
Yours truly,
THOMAS FERGUSON.
George street, Dunedin.

Dunedin, June 3, 1878.

To PROFESSOR GUSSCOTT.—Sir,—I am happy to inform you that I am able to return home after your treatment of four weeks duration, having been troubled with dropsy this last four years. I have been tapped twice; I have been under the doctors in Oamaru, and also in Dunedin, and never received any benefit from their treatment. When my sister called on you last April you told her if I would come to St. Kilda and stop with her you would treat me for a fortnight free of charge, and after that time, if I were no better, you required no payment; but I am happy to inform you that I feel as well as I ever have felt, and free of dropsy, and can eat and sleep well. I trust that your days may be long in Dunedin. You can be assured that I will speak of the cure you have effected on me on my return home, as I leave my sister to-morrow.

I remain, your's ever grateful,
MRS. ISABELLA FRASER.

St. Kilda, June 10, 1878.

To PROFESSOR GUSSCOTT.—Sir,—I am happy to inform you that you have fulfilled your promise. I have been suffering from bleeding piles for the last eight years. I have tried many doctors, but could only get temporary relief. I came down from Mount Ida, and hearing so much talk about you being so clever in curing so many chronic complaints I thought I would give you a trial, and, I am happy to say, with the most satisfactory results, that you have made a perfect cure of me. I know of several in Mount Ida who have been troubled with the same complaint for years, and many of them know I have had to give up work having been so bad. I give you this statement as I am well known at Mount Ida, and, believe me, I shall be happy to let any one know where they can get a perfect cure, and at a small fee, for I have spent scores of pounds without receiving any benefit.

I am, yours ever thankful.

DAVID JONES,

Mount Ida.

June 14, 1878.
P.S.—I have told several here of the cure you have made of me, so you may expect many orders for medicine.

D. J.

To PROFESSOR GUSSCOTT.—Sir—Having been troubled with asthma for the last seven years, on several occasions I have been propped up in a bed, and many times I had to get up and walk to get a breath of air, and had become so bad that I was not able to attend to business; in fact, I had become a burden to myself and the people with whom I was stopping. When I came to you, you told me all my symptoms, which gave me confidence to place myself under your treatment, and being a believer of herbs, and seeing the large assortment in your establishment, and also the references from other sufferers the same as myself, in looking back to the time of my suffering so long, and spending so much money without receiving any benefit from the treatment until I applied to you.

I remain, yours ever thankful,

DONALD SMITH,

Great King street.

Dunedin, May 30th.

Dunedin, April 5th, 1878.

To PROFESSOR GUSSCOTT.—Dear Sir—I have much pleasure in giving you my testimony to the very effectual cure you have performed on me. For twelve years I have been afflicted with liver complaint and palpitation of the heart. I have tried several doctors in Melbourne and Dunedin also, but none seemed to do me any good. But after being under treatment for six weeks, I am as well as ever I have been in my life. I would recommend everyone suffering from the same complaint to place themselves under your treatment.

I remain,

Yours respectfully,
ALEXANDER LUCAS,
George-street, Dunedin.

Port Chalmers, 18th June, 1878.
