PROFESSOR STANICH,
THE
PALESTINIAN AURIST,

Will leave next week for the northern towns of New Zealand. For his correct address in Christchurch, Wellington, and other towns see local papers.

See the most EXTRAORDINARY CURES as per following testimonials:—
WOOLSTON, June 11, 1878.

PROFESSOR STANICH.

Dear Sir,—My daughter Dilia Sarah Smith, having suffered from deafness for the last three years, and having tried two of the most eminent doctors in Christchurch without deriving the slightest benefit from their hands, I am happy to say that after three weeks treatment by you she can hear the slightest whisper, and I would advise anyone suffering from deafness to visit you, as, in the case of my daughter, it is a most wonderful cure.

I remain yours faithfully,
Canterbury, N. Z. CHAS. SMITH,

WAIKUKU, June 18 1878.

PROFESSOR STANICH.

Dear Sir,—I am happy to inform you that my deafness has been greatly relieved after three weeks of your skilful treatment, being quite deaf in my left ear. The result has exceeded my most sanguine expectations. By it I can now hear most distinctly the ticking of a watch at a distance of over two feet away; my hearing in the right ear has also very much improved; mine being a chronic case of over twenty-eight years standing, and being unable to get relief elsewhere. My case being pronounced to be a very bad one by a medical gentleman of Christchurch, I am the more surprised at the result. Upon hearing of your arrival in Christchurch, I determined to consult you as a last resource; the above-mentioned has been the result.

I remain yours sincerely,

JOHN B. ATKINSON,
Canterbury, N. Z. WAIKUKU.
