

FINDLAY AND CO'S

OTAGO STEAM SAW,
PLANING, MOULDING, DOOR, AND
SASH FACTORY,
Cumberland, Stuart, and Castle streets,
DUNEDIN.

They beg to intimate to Builders, Contractors, and the Public generally, that having just completed extensive alterations to their Plant and Premises, they are now in a position to execute all orders entrusted to them with the utmost despatch.

All the Machinery is of the best and most modern principles; customers can, therefore, rely upon all work being done in the best possible manner.

We would call special attention to our Door, Sash, Turnery, and Moulding Department, as recent improvements have enabled us to turn out large quantities of the best finish and design.

As we import large quantities of our Colonial timber in bulk, we are prepared, with our large sawing appliances, to cut on the shortest notice to any size.

Our very large Shed and Building Accommodation enables us to keep all stock suitable for up-country purposes, or which would be injured by exposure, completely under cover.

All Orders, coastwise or up-country, shall receive our best attention.

FINDLAY AND CO.

J. F. STRATZ,
Watchmaker, High Street, Triangle, and opposite Bonnington and Co., Booksellers, Christchurch. I have been apprenticed in Switzerland, and have been working in the best shops in the West End of London for ten years, and therefore I am able to undertake for repair Foreign and English Watches that have been unsuccessfully done by so called watch-cleaners who know no rule or principle about work, and very often spoil a watch for ever. During the three years that I have been in Christchurch I examined and repaired over 2000 watches, and I found very few amongst them that wanted only cleaning, but I have very often found instead of screws, pieces of wood, lead, and cement have been used. In regard to watch cleaning, I can teach any person to clean or brush out a watch in ten lessons.

I receive the newest and latest designs of Watches, Clocks, and Jewellery by every mail, and sell them with guarantee at lowest prices. English Silver Hunting Lever Watches capped and jewelled, from £5 10s, of different makers. Botherham's, Stamford's, Bennett, Russell, Hill, and other good makers. A large assortment of Waltham Watches from £4 10s. Imitation American Silver Levers, £1 15s 6d. American Cottage Clocks, 7s 6d. Do. do. strike, 12s 6d. Watch keys 2 and 6d; glasses, 6d and 1s.

Note the address—
