THE NEW ZEALAND TABLET COMPANY (LIMITED),

Capital £1500, in 1500 Shares of £1 each.

Manager—Mr Connor.

Directors—Mr Reany, Mr Scanlan, Mr Grogan, Mr Murphy, Mr Bunyan, Mr Fleming, Dr O'Donoghue, Mr Loughnan.

Bankers—Union Bank of Australia.

Secretary—Mr Williamson.

Treasurer—Mr Fleming.

In order to distribute the shares of the Company as widely as possible, a fair proportion of them has been allotted to each Province in New Zealand. When it is borne in mind that the success of the undertaking will chiefly depend upon the support of the Shareholders, the advantages of this course will be readily appreciated.

The Directors consider that the sum of £1,500 will be sufficient (though not too much) to purchase the plant if necessary, and to pay working expenses for twelve months; and they hope that after that time the paper will not only be self-supporting, but prosperous. Therefore, that the Company may begin their work free from debt, the Directors have thought it desirable to call up all the capital before making a start; consequently it will be understood that the whole amount payable on each share will have to be forwarded with the application for allotment.
