## PICTURESQUE IRELAND,

A Literary and Artistic Delineation of the Natural Scenery,  
Remarkable Places, Historical Antiquities, Public  
Buildings, Ancient Abbays, Ruins, Towers,  
Castles, and other Romantic and  
Attractive Features of  
Ireland.The most Complete, Instructive, Beautiful and Attractive Illustrated  
Work ever Published on Ireland.

EDITED BY JOHN SAVAGE, L.L.D.

PICTURESQUE IRELAND is designed to embrace and present  
all of the best and most striking features of preceding works—repro-  
ductions of the Pictures and drawings of the eminent Artists who  
have for the last fifty years given such a notable impetus to the study  
of Irish scenery, topography and antiquities—with hundreds of other  
views from recent photographs and drawings, especially engraved  
for the work. Thus the characteristic features, natural and archi-  
tectural, of all sections of the country North and South, East and  
West—the public streets and buildings of the chief cities, the beauti-  
ful rivers and enchanting lakes, magnificent coast lines, historical  
castles, old abbeys and ruins, wild mountains, picturesque valleys,  
glens and waterfalls—from the Giant's Causeway, and the solemn  
grandeur on the Coasts of Antrim and Donegal in the North, to the  
poetical Lakes of Killarney, and the romantic mountain gaps and  
river scenery of Tipperary, Waterford, Cork, and Kerry in the South ;  
from the exquisite glens and cataracts on the Liffey in Dublin and  
Wicklow in the East, to the expanding magnificence of the Shannon,  
and the wilds of Connemara in the West—will be reproduced in an  
attractive form, and at a price which will be within the means of  
every intelligent family.

This splendid work presents the most complete, varied, beauti-  
ful and extensive collection of Illustrations of Scenes and sights in  
the Emerald Isle which has ever been brought together and presented  
to the public.

MR. THOMAS CONWAY, Agent for the above work, is now  
travelling through the South Island, being at present in Christchurch,  
afterwards visiting Ashburton, Temuka, Timaru, Oamaru, &c., &c.  
He will be most happy to wait on residents of the places named, and  
show a specimen copy of the book.
