Will sell, about

JANUARY NEXT,

Several Blocks of Land in Fitzherbert and adjoining districts, on
VERY FAVOURABLE TERMS.

The Blocks have been divided into suitable sections, varying in
size from 70 to 300 acres.

All the sections have frontages to well-graded roads, which are
now being cleared, so that intending purchasers can examine the
land the day before the sale.

Early in December plans showing area and locality, with des-
cription, classifying the character and quality of the sections, will
be issued.

It is almost unnecessary to refer to the excellence of the Fitz-
herbert country. That portion of it which has been sold by the
Government is occupied by a large and industrious body of settlers,
who are unanimous in speaking of the great productive power of the
land, the geniality of the climate, and the advantages attending the
settlement in the district. The whole of the land to be offered by
the Company will bear the most favourable comparison with the land
already sold by the Government, both as to soil and general adapta-
bility for successful farming operations.

Future advertisements will give full details of terms, time of sale,
and means how to obtain accurate and complete information of the
land for sale.
