

MEDICAL.

SPECIAL ANNOUNCEMENT.

PROFESSOR BRIDGWATER,
the Eminent Medical Botanist and Specialist, has the honor of announcing his arrival in New Zealand, and may be consulted at his rooms, the "Otago Medical Botanic Institute," 172 George street, Dunedin, hours 9 to 10 a.m., 3 to 6 p.m., and 7 to 8 p.m.; Sundays, 10 to 11 a.m. Professor Bridgwater has for many years directed his attention to the following class of complaints:—Nervous Debility (in its many phases), Epilepsy (or falling fits, in their worst form), Consumption (in its various stages). With botanic remedies consumption is no longer an incurable disease. Diseases of Women and Children, Errors of Youth, Premature Decay, and all the effects of the indiscretion of youth. The diseases of youth and those affections arising therefrom have been the peculiar study of Professor Bridgwater. His professional life has been especially devoted to the treatment of private sexual affections, and the diseases incidental to married life, and he has been the means (in hundreds of cases) of warding off the impending doom of a gloomy, suffering, misanthropical future, and giving power to those unable before to perform life's duties, restoring the enervated system to its natural vigor, and ensuring a joyous and happy life. His skill is available to all, no matter how many hundreds of miles distant. His system of correspondence by letter is so well organized that by its means thousands of patients have been cured whom he has never seen and never known; and it is carried on with such judicious supervision that there is not the remotest possibility of accidental discovery. When medicines are required they are packed in the most careful manner and forwarded without the possibility of the contents of the parcels being discovered. Plain and clear directions accompanying the remedies and a cure is effected without even the Professor knowing who is his patient.

Be it known to all men and women with broken-down constitutions, failing health, or hereditary disease, the nervous, the debilitated, and all suffering from any disease whatever, Professor Bridgwater's plan of treatment commends itself, avoiding, as it does the inconvenience and expense of a personal visit.

Note the address—

PROFESSOR T. BRIDGWATER,
The Otago Medical Botanic Institute,
172 George Street,
Dunedin.
Consultation fee by letter £1.

From the *Armidale Chronicle*, Nov. 28, 1884.

"Professor Bridgwater needs no introduction from us; his marvellous cures have traversed the columns of almost every paper in the Australian Colonies. One of these we may mention, it is a case at Inverell, the patient being Mr. Mackay, who was suffering from Cataract of the Eye. When Professor Bridgwater arrived in Inverell the sufferer interviewed him, and the Professor stating he could effect a cure, the patient at once submitted to the proposed treatment. That is now but two weeks since, and Mr. Mackay can now define the minutest object, and is still to be found at Inverell a living witness to the skill and ability of Professor Bridgwater."

From the *Inverell Times*.

"Professor Bridgwater who has during the past few weeks been practising in Inverell, left for Bingera yesterday. This gentleman is now no stranger to Inverell, where during his first and more recent visit he was highly successful in the treatment of a number of important cases. We wish him success during his tour in the West."

From the *Tumut and Adelong Times*.

"Professor Bridgwater's fame in curing diseases of the Nervous System and complicated cases of long standing, has gone abroad in the Colony."

THE GREATEST

WONDER OF MODERN TIMES!

HOLLOWAY'S PILLS

Long experience has proved these famous remedies to be most effectual in curing either the dangerous maladies or the slighter complaints which are more particularly incidental to the life of a miner, or to those living in the bush. Occasional doses of these Pills will guard the system against those evils which so often beset the human race: viz.—coughs, colds, and all disorders of the liver and stomach—the frequent forerunners of fever, dysentery, diarrhoea, and cholera.

HOLLOWAY'S OINTMENT

Is the most effectual remedy for old sores, wounds, ulcers, rheumatism, and all skin diseases; in fact, when used according to the printed directions, it never fails to cure alike, deep and superficial ailments.

The Pills and Ointment are Manufactured only at 78, New Oxford St. (late 533, Oxford St.) London; And are sold by all Vendors of Medicines throughout the Civilized World; with directions for use in almost every language.

Purchasers should look to the Label on the Pots and Boxes. If the address is not 533, Oxford Street, London, they are spurious.
