NOTICE TO OUR SUBSCRIBERS.

We would particularly request our country subscribers to respond
 by post to the accounts with which they are furnished. We
 have already informed them that we found it impossible to keep a
 travelling collector constantly employed, and that it would be
 necessary for subscribers themselves to forward their subscriptions
 to this office. We regret to say that our reasonable request has met
 with but indifferent treatment, and we are now obliged to renew it
 more emphatically.

FIAT JUSTITIA.

FRIDAY, NOVEMBER 20, 1885.

PROGRESS AND JUSTICE IN THE NINETEENTH CENTURY.

THE Catholics of New Zealand provide, at their own sole
 expense, an excellent education for their own children. Yet
 such is the sense of justice and policy in the New Zealand
 Legislature that it compels these Catholics, after having
 manfully provided for their own children, to contribute
 largely towards the free and godless education of other people's
 children!!! This is tyranny, oppression, and plunder.
