IS GUARANTEED.

Beware of Spurious Imitations.

CAUTION.

Whereas S. SLESINGER, the oldest and
most renowned Veterinary Practitioner in the
Australian Colonies—who has introduced his
tunfailing remedies and educated the Public
to treat their own Horses, Cattle, or Dogs by
offering his medicines at a very low price (for
the different diseases, see circulars)—has,
after obtaining a good sale for them, now to
caution the Public against Spurious Imitations
of his Remedies.

Some unprincipled people are trying to
push the sale of their abominable rubbish in
opposition to the genuine article, and Mr.
Slesinger warns his Customers not to be
gulled or duped by such imposters or their
agents. See that my name and Trade Mark
is attached to every article, thus—S.S.V.S.

I will shortly give you the names and
number of those villains who are now trying
to ruin me, if they could, by forcing the sale
of the spurious imitations.

SAML. SLESINGER,
Veterinary Surgeon.

CHALLENGE.

IT having come to my ears that certain
interested parties are circulating damag-
ing (?) reports about me as follows—that I
do not keep faith with the public as regards
a saving of 25 per cent. to customers who
favour me with their despensing, that the
quality of drugs used is not up to the mark,
and several similar absurd canards, I hereby
publicly Challenge any Chemist and Druggist
throughout the length and breadth of New
Zealand to a thorough comparison of prices
and quality before any impartial judge (the
public is the best). My Drugs are all directly
imported from the very best wholesale
druggists in England and America, and are
guaranteed absolutely pure, no article being
taken into stock without it answers the
minutest tests of the British Pharmacopœia.
The public are cautioned against any and all
of these absurd statements. Each and all
can easily prove my assertions or otherwise.
I am confident of the verdict being in my
favour. I would also caution the public
against "advertising quacks" or "cure alls,"
whose sole recommendation is a bogus degree
or a medical art union. A 10s customer is
guaranteed a large prize of a 1s value.
Remember this—10s spent with the under-
signed means a saving to the purchaser of at
least 2s 6d.

A. M. LOASBY,

Wholesale and Retail Manufacturing Chemist,
30 and 174, Princes Street, Dunedin.

The 42nd annual report of the New York
Life Insurance Company has just reached us,
and it will be seen from the figures in another
column, is of characteristic brilliancy. The
volume of its business is enormous, and the
rapidity of its progress most remarkable.
Indeed, it displays the mark of a century in
a generation, therefore it is not for prolonged
life that we can ascribe its greatness, and we
can only liken it to the country to which it
is indigenous, which, though one of the
youngest among the family of nations, is yet
one of the most flourishing and powerful of
its race. This grand Company has now up-
ward of £61,000,000 at risk, and has for 42
years discharged its obligations with honour
to itself and in widespread relief to the re-
cipients of its faithfulness.—*N.Z. Times*, 7th
April, 1887.
