 Beware of Spurious Imitations.

CAUTION.
 Whereas S. SLESINGER, the oldest and
 most renowned Veterinary Practitioner in the
 Australian Colonies—who has introduced his
 unfailling remedies and educated the Public
 to treat their own Horses, Cattle, or Dogs by
 offering his medicines at a very low price (for
 the different diseases, see circulars)—has,
 after obtaining a good sale for them, now to
 caution the Public against Spurious Imitations
 of his Remedies.
 Some unprincipled people are trying to
 push the sale of their abominable rubbish in
 opposition to the genuine article, and Mr.
 Slesinger warns his Customers not to be
 gulled or duped by such imposters or their
 agents. See that my name and Trade Mark
 is attached to every article, thus—SS VS.
 I will shortly give you the names and
 number of those villains who are now trying
 to ruin me, if they could, by forcing the sale
 of the spurious imitations.
SAML. SLESINGER,
 Veterinary Surgeon

CHALLENGE,
IT having come to my ears that certain
 interested parties are circulating damag-
 ing (?) reports about me as follows—that I
 do not keep faith with the public as regards
 a saving of 25 per cent. to customers who
 favour me with their despending, that the
 quality of drugs used is not up to the mark,
 and several similar absurd canards, I hereby
 publicly Challenge any Chemist and Druggist
 throughout the length and breadth of New
 Zealand to a thorough comparison of prices
 and quality before any impartial judge (the
 public is the best). My Drugs are all directly
 imported from the very best wholesale
 druggists in England and America, and are
 guaranteed absolutely pure, no article being
 taken into stock without it answers the
 minutest tests of the British Pharmacopœia.
 The public are cautioned against any and all
 of these absurd statements. Each and all
 can easily prove my assertions or otherwise.
 I am confident of the verdict being in my
 favour. I would also caution the public
 against "advertising quacks" or "cure alls,"
 whose sole recommendation is a bogus degree
 or a medical art union. A 10s customer is
 guaranteed a large prize of a 1s value.
 Remember this—10s spent with the under-
 signed means a saving to the purchaser of at
 least 2s 6d.

 Wholesale and Retail Manufacturing Chemist,

INSURANCE COMPANY.

The 42nd annual report of the New York
 Life Insurance Company has just reached us,
 and it will be seen from the figures in another
 column, is of characteristic brilliancy. The
 volume of its business is enormous, and the
 rapidity of its progress most remarkable.
 Indeed, it displays the mark of a century in
 a generation, therefore it is not for prolonged
 life that we can ascribe its greatness, and we
 can only liken it to the country to which it
 is indigenous, which, though one of the
 youngest among the family of nations, is yet
 one of the most flourishing and powerful of
 its race. This grand Company has now up-
 ward of £61,000,000 at risk, and has for 42
 years discharged its obligations with honor
 to itself and in widespread relief to the re-
 cipients of its faithfulness.—N.Z. Times, 7th
