Beware of Spurious Imitations.

**CAUTION.**

Whereas S. SLESINGER, the oldest and  
 most renowned Veterinary Practitioner in the  
 Australian Colonies—who has introduced his  
 unfailling remedies and educated the Public  
 to treat their own Horses, Cattle, or Dogs by  
 offering his medicines at a very low price (for  
 the different diseases, see circulars)—has,  
 after obtaining a good sale for them, now to  
 caution the Public against Spurious Imitations  
 of his Remedies.

Some unprincipled people are trying to  
 push the sale of their abominable rubbish in  
 opposition to the genuine article, and Mr.  
 Slesinger warns his Customers not to be  
 gulled or duped by such imposters or their  
 agents. See that my name and Trade Mark  
 is attached to every article, thus—SS VS.

I will shortly give you the names and  
 number of those villains who are now trying  
 to ruin me, if they could, by forcing the sale  
 of the spurious imitations.

**CHALLENGE.**

**I**T having come to my ears that certain  
 interested parties are circulating damag-  
 ing (?) reports about me as follows—that I  
 do not keep faith with the public as regards  
 a saving of 25 per cent. to customers who  
 favour me with their despending, that the  
 quality of drugs used is not up to the mark,  
 and several similar absurd canards, I hereby  
 publicly Challenge any Chemist and Druggist  
 throughout the length and breadth of New  
 Zealand to a thorough comparison of prices  
 and quality before any impartial judge (the  
 public is the best). My Drugs are all directly  
 imported from the very best wholesale  
 druggists in England and America, and are  
 guaranteed absolutely pure, no article being  
 taken into stock without it answers the  
 minutest tests of the British Pharmacopœia.  
 The public are cautioned against any and all  
 of these absurd statements. Each and all  
 can easily prove my assertions or otherwise.  
 I am confident of the verdict being in my  
 favour. I would also caution the public  
 against "advertising quacks" or "cure alls,"  
 whose sole recommendation is a bogus degree  
 or a medical art union. A 10s customer is  
 guaranteed a large prize of a 1s value.  
 Remember this—10s spent with the under-  
 signed means a saving to the purchaser of at  
 least 2s 6d.

 INSURANCE COMPANY.**

The 42nd annual report of the New York  
 Life Insurance Company has just reached us,  
 and it will be seen from the figures in another  
 column, is of characteristic brilliancy. The  
 volume of its business is enormous, and the  
 rapidity of its progress most remarkable.  
 Indeed, it displays the mark of a century in  
 a generation, therefore it is not for prolonged  
 life that we can ascribe its greatness, and we  
 can only liken it to the country to which it  
 is indigenous, which, though one of the  
 youngest among the family of nations, is yet  
 one of the most flourishing and powerful of  
 its race. This grand Company has now up-  
 ward of £61,000,000 at risk, and has for 42  
 years discharged its obligations with honour  
 to itself and in widespread relief to the  
 recipients of its faithfulness.—*N.Z. Times*, 7th  
 April, 1887.
