QUESTIONS ANSWERED!!!!

Ask the most eminent physician
Of any school, what is the best thing in the world for allaying all irritation of the nerves, and curing all forms of nervous complaints, giving natural, childlike, refreshing sleep always?

And they will tell you unhesitatingly

"Some form of Hops!!!!"

CHAPTER I.

Ask any or all of the most eminent physicians:

"What is the only remedy that can be relied on to cure all diseases of the kidneys and urinary organs; Bright's disease, diabetes, retention, or inability to retain urine, and all the diseases and ailments peculiar to Women?"

And they will tell you explicitly and emphatically "Buchu!"

Ask the same physicians

"What is the most reliable and surest cure for all liver diseases or dyspepsia, constipation, indigestion, biliousness, malaria, fever, ague, &c.," and they will tell you

"Mandrake! or Dandelion!!!!"

Hence, when these remedies are combined with others equally valuable,

And compounded into Hop Bitters, such a wonderful and mysterious curative power is developed, which is so varied in its operations that no disease or ill health can possibly exist or resist its power, and yet it is

Harmless for the most frail woman, weakest invalid or smallest child to use.

THE GREATEST
WONDER OF MODERN TIMES!

HOLLOWAY'S PILLS

Long experience has proved these famous remedies to be most effectual in curing either the dangerous maladies or the slighter complaints which are more particularly incidental to the life of a namer, or to those living in the bush.

Occasional doses of these Pills will guard the system against those evils which so often beset the human race, viz.—coughs, colds, and all disorders of the liver and stomach—the frequent forerunners of fever, dysentery, diarrhoea, and cholera.

HOLLOWAY'S OINTMENT

Is the most effectual remedy for old sores, wounds, ulcers, rheumatism, and all skin diseases; in fact, when used according to the printed directions, it never fails to cure thick, deep and superficial ailments.

The Pills and Ointment are Manufactured only at
533, OXFORD STREET, LONDON,

And are sold by all Vendors of Medicines throughout the Civilized World; with directions for use in almost every language.

Beware of counterfeits that may emanate from the United States. Purchasers should look to the Label on the Pots and Boxes. If the address is not 533, Oxford Street, London, they are spurious.
